

# Supporter Promise

Seafarers UK is committed to fundraising in a legal, honest and transparent way. We aspire to do what is best for our beneficiaries and what is right for our supporters. We rely heavily on the generosity of our supporters to continue to support seafarers and their families when they need help; your trust is vital to us and we will not let you down.

## Seafarers UK promises to:

- **Respect and protect your data**
- **Be honest, open and transparent about where your money goes and why we ask for support**
- **Be accountable**

Seafarers UK is committed to providing the highest standards of service to all our supporters.

Our Supporter Promise to you is genuine and recognises that without you, we would be unable to help improve the lives of seafarers and their dependants who are in need.
